How to Complete Your Mission Adventures Application

We know organizing and applying for missions trips can be tricky and complicated, and we want to make your life easier. We've made it into three easy steps: apply, gather information from your students, and pay.

Step 1: Apply

Your application includes these pieces:

1. **Group Application:** Please answer every question. If one does not apply to you, write N/A.
2. **Application Fee:** A non-refundable application fee of \$100 USD total should be sent with your application as a check or paid on our website.
3. **Participant List:** Please provide a list of participants you plan to bring for your Mission Adventures outreach. If you don't know your entire participant list yet, put down the people who are planning to come and make a note of how many more you are expecting. We require all youth to be between the ages of 12 - 19.

You can either mail or email us your application using the address or email address listed below. You can also find this entire application on our website. Feel free to contact us at (972) 429-9278 or email us at missionadventures@ywamwylie.org with any questions you have!

Step 2: Gather Information

After you have finished your application, there is some info about your group we need at least 6 weeks prior to the start of your outreach. We'll walk you through these after you apply.

1. **Required Forms:** Every participant and leader needs to fill out a copy of the Required forms we've attached to this document. This includes a liability release, consent for treatment, and a background check consent form.
2. **Background Checks:** We take the safety of students seriously, so each adult coming needs a current background check run on them. You can send us a copy of yours or we can run background checks through Ministry Safe for a fee of \$10. See the

Step 3: Payment

All fees and payments should be processed through your church or organization and ONE CHECK should be made out to "YWAM Wylie" and sent to the address below.

It is always our aim to operate with integrity and fairness when it comes to finances. On rare occasions, after paying a portion or the full amount of an outreach fee an applicant is unable to fully participate in the outreach for various reasons. In such cases the following policy applies:

- Application fees are non-refundable
- The applicant must inform YWAM Wylie that they will not be participating in the outreach/program at least 24 hours prior to the start of the outreach/program in order to receive reimbursement for payments. Payments will be reimbursed minus any expenses already incurred on behalf of the applicant within 14 days after the end of the outreach/program.
- Should an applicant's involvement in an outreach/program be terminated during that outreach/program, we are unable to provide any reimbursement. Some exceptions may be made under certain circumstances such as a medical emergency. All exceptions are at the sole discretion of YWAM Wylie. Each participant will be responsible for all travel expenses in the event that he/she leaves the outreach/program early.
